

Defense cuts

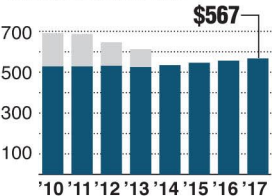

The Pentagon has outlined how it plans to meet congressionally-mandated reductions:

Projected budget

For fiscal years, in billions of dollars

■ War spending* ■ Baseline

*Not projected beyond 2013

Mandated reductions

- \$259 billion over 5 years, fiscal years 2013-17
- \$487 billion over 10 years, fiscal years 2012-21

Army troop levels

In thousands

- Purchase of F-35 stealth fighter jets to be slowed
- Submarines that carry long-range nuclear missiles delayed by two years
- Pay raises on track until 2015, then pace is slowed
